**Technical Data Sheet
Dyed Distillate Blend Stock (Heavy)**

General Information

Goodway Dyed Distillate Blend Stock is a yellow to amber colored refined petroleum distillate characterized by a normal petroleum odor and is dyed per IRS regulations with Morton Red Automate 164 Dye prior to loading.

Toxicity

Prolonged and/or repeated inhalation of vapors may cause damage to the central nervous system and prolonged and repeated skin contact will cause irritation. Contact with the eyes will cause immediate irritation. Ingestion may be lethal.

Shipping and Handling

Dyed Distillate Blend Stock is a hydrocarbon liquid. Keep away from ignition sources. Keep containers closed and clearly labeled. Tank cars and trucks must bear D.O.T. placards and shipping papers must comply with D.O.T. regulations.
